Executive Coaching Program: Navigate Life & Career Challenges

Imagine having an Executive Coach by your side, someone you can meet with regularly, either in person or virtually, to navigate your career and life goals with confidence, and someone you can speak with openly about the challenges you are facing in a fully confidential manner. The **Executive Coaching Program** begins with a minimum 90-day commitment, and offers three plan options designed to fit your needs:

- ⇒ **Foundational Plan:** one meeting per month
- ⇒ **Core Plan:** two biweekly meetings per month
- ⇒ **Premier Plan:** four weekly meetings per month

This is not simply a series of sessions. It is the beginning of a meaningful relationship that gives you steady guidance, practical strategies, and personalized support. And once you experience the momentum of those first ninety days, whether live or virtual, you will likely find it is just the start of a transformative journey.

Executive Coaching Topics Covered:

- ⇒ Self-discovery, personal insight, and awareness of your superpowers
- ⇒ Crafting a compelling career narrative and building a standout personal brand
- ⇒ Developing leadership and influence skills to lead without formal authority
- ⇒ Enhancing communication and executive presence for impactful meetings and presentations
- ⇒ Mastering negotiation and conflict resolution, including managing tough bosses
- ⇒ Implementing effective time management and productivity strategies
- ⇒ Navigating career transitions and exploring new career paths
- ⇒ Maintaining work-life balance and personal well-being for sustainable success
- ⇒ Building strong internal networks and relationships within your firm
- ⇒ Becoming a culture carrier and champion for firmwide initiatives to boost promotion readiness
- ⇒ Preparing effectively for promotions and long-term advancement
- ⇒ Navigating compensation discussions, incentives, and salary negotiation
- ⇒ Overcoming fear of failure and building mental resilience
- ⇒ Understanding how to navigate the AI-driven future of work and positioning yourself to thrive
